Study Smarter

Find and download past year paper solutions to verify against your answers. Check against study materials to ensure that yours is well-prepared.

Explore Modules

Unsure of which modules to take? Explore study materials from your seniors to see if a module really is what the description claims to be.

Passive Income

Sell your past year paper solutions and helpsheets on Paperbaton and let your hard work reward you with more than just grades.

Share Experiences

Every experience is unique, by sharing your knowledge and insights in your study materials, you can greatly help your peers to prepare themselves better.

The collection on Paperbaton is really valuable because it comes from us -- the students who really take the modules and struggle to excel, instead of the publishers who do not really care your grades.

Liu Xinyan
NUS B. Eng (Chemical and Biomolecular), First Class Honours
Current PhD student at California Institute of Technology

In my 1st year, I'm fairly new to the concept of cheatsheets. Paperbaton enables me to see what constitutes a good cheatsheet. I would do my own notes, and resources from Paperbaton augments my education.
